NUUSBRIEF/NEWS LETTER MAY 2017

1. New members: Vernon Strauss
2. On 8 April 2017, we had a successful work session on the rules of the Superior Court, the National Credit Act and a presentation of the proposed new web site of the Society. The work session was attended by 42 members and pupils followed by a lunch. Thank you to all present and the people who organised the event – we have crossed the rubicon.
3. On 20 April 2017, we had a function with judges. The honourable DJP attended and the message was clear – we are there! All who attended thank you as well as to Maryke who was in charge of the arrangements.
4. We are finalising the new web page and it should be up and running asap. Members will be informed of the web and the contents thereof. You will note the format and the information thereon.
5. We are requesting members to complete new debit orders as we are moving away from the old system due to FICA and a lot of sleep. The secretary will contact those on debit order s – please assist.
6. Our finances are good and we have decided to make a separate deposit on an account with more interest to at least cover our bank and other admin costs.
7. We are planning a work session with the honourable Judge Ledwaba for 19 August 2017. He will address us on issues in the court, problems that he has with ‘his system’ and also to discuss questions and problems from our side. He has committed himself to this event and we will let members know nearer to 19 August 2017 – the session will be from 09:00 to 12:30 with a lunch thereafter.

Winter is here so please keep well and we will communicate after end of July 2017.
