SOCIETY OF ADVOCATES

MOKHGATLO WA BAEMEDI

On Thursday May 3rd 2018 the Executive & Members of the Gauteng Society of Advocates were honoured by the presence of no less than 6 judges from the Gauteng Division of the High Court, Pretoria including the Deputy Judge President - the Honourable Judge A Ledwaba.

Judge Ledwaba complimented the Society on our exceptional achievements over the past year and remarked on the proud and continued inclusivity of the GSA. He also commented on how the GSA has grown from strength-to-strength since his first contact with our Society a few years ago, which he proudly cherished.

He further emphasised the responsibility on the shoulders of all practitioners of the Law - albeit of the State or in private practice - to ensure the integrity, objectivity and efficiency of the profession when 'answering' the call of the People of South Africa. He stressed that the communities we serve, will expect nothing less...

In closing, Judge Ledwaba, wished all members well for the 2018-19 year and noted that his door will always be open* to members of our Society. [*protocol prevailing]

Our Secretary Adv Jacques Brenkman also expressed our special tribute to Adv.'s Hennie van Rensburg, Peet Johnson, Johann Hattingh, Kobus Strijdom & Nante Diedericks, all of whom had brought honour to our Society in having been appointed as Acting Judges of the High Court.
