Deputy Judge President calls on GSA Members to participate!

In his key-note address during May 3rd 2018 GSA Judges Function, hosted by the GSA, the Deputy Judge President - the Honourable Judge A Ledwaba of the Gauteng Division of the High Court, Pretoria invited the GSA to become involved in dealing with Judges Pre-Trials and Civil Trials on a pro-bono basis during recess periods.

The rationale for the Pro-Bono Project is to mitigate the burden on High Court Judges and to address the growing backlog - especially in third party matters.

The newly appointed committee will be responsible to provide the Deputy Judge President with names of Members of the Gauteng Society of Advocates who are willing to answer this 'call of duty' on a pro-bono basis.

The current focus of the committee is to source suitably qualified and experienced advocates to assist - specifically in Third Party Matters and concurrent pre-trials. A minimum of 10 years' experience in these matters is a peremptory requirement.

Suitably qualified and experienced members of the GSA, interested to partake in this ground-breaking project are encouraged to forward their respective Curriculum Vitae's to Adv Maryke Pienaar at Marykep18@gmail.com before May 31st 2018.

Bearing the 'standard' for the GSA!
