re: Johannes Jurie Venter

I have had the privilege of knowing Johan Venter for the past few years. He is a SAMLA member in good standing and he is a SAMLA registered medical mediator.

Johan has been an active participant in the professional development activities of the SAMLA Faculty, my Medico-Legal Syndicate Group and the SAMLA Medical Mediation Group.

In these capacities he has demonstrated a keen intellect and comprehensive knowledge, as well as dedication to ethical professional practice.

In particular he has initiated and led the SAMLA Case Management Interest Group, and has made valuable contributions to SAMLA's participation in the development of a Professional Body for Dispute Resolution Practitioners.

I have no hesitation in confirming that Johan Venter is a fit and proper person to be admitted as an advocate of the High Court and practice as such.
