EXECUTIVE SUMMARY

Current practising Advocate of the High Court of South Africa since 2006, focussing on commercial, corporate, contractual and human rights matters, chairing enquiries and administrative boards, mediations and arbitrations.

I have extensive experience in alternative dispute resolution modes, especially in mediation and arbitration.

International exposure involves the development of contractual frameworks for telecommunications and commodities operations as well as compiling peace and reconciliation frameworks for regional governments.

Involvement in the restructuring of board functioning, corporate governance, director induction and creation of governance frameworks for various companies. Member of Executive Management Team of various companies and training institutions.

Comprehensive training experience, involving development and implementation of internationally benchmarked curricula, lecturing at tertiary level in Commercial, Mercantile and Tax Law and corporate training as a facilitator and accredited assessor and moderator.

Previously practiced as an Attorney and Notary and was a commissioned senior officer in law enforcement.

Appointed to the Disciplinary Committee of the Independent Regulatory Board for Auditors, the Tax Board, the Disciplinary, investigative and Mediation Committee of the Legal Practice Council. Appointed as an Acting Judge of the Pretoria and Johannesburg High Courts since 2021.
