YEARS OF PROFESSIONAL EXPERIENCE:

Adv Humbelani Linkie Matamela commenced her legal career in 2012 as Legal Assistant at a reputable firm in Pretoria, she later moved to a Commercial and Corporate boutique law firm where she gained a strong exposure to the private and corporate sector, she has a commendable track record and competencies in commercial, corporate, insurance and company law.

She is an articulate, focused professional who has a proven history of gathering and analysing information and using the results of that analysis to make effective decisions and find innovative solutions to legal problems. Some of her notable professional experience include:

- investigating irregularities relating to control breakdowns and weaknesses in the Supply Chain Management and Human Resource areas; investigated irregularities relating to fronting and possible involvement of employees in the Supply Chain Management division; investigated irregularities relating to possible fraud and corruption and financial mismanagement of funds.
 - investigating fraud pertaining to the premature release of subsidy funds to officials.
 - investigating fraud and corruption regarding new or upgraded electrical connections; investigations into financial and administrative mismanagement at local government level
-

- investigating into allegations of fraud and corruption by attorneys and advocates.
- investigation of possible fraud and corruption relating to medical practitioners
- investigation of expenditure (unauthorised / irregular / fruitless and wasteful) in government (national, provincial and local government).

She has superb communication skills which are vital when meeting and interviewing clients to establish suitability to provide the necessary advice and services to them.

Adv Matamela's proven ability to solve problems in a methodical and practical way has earned her a position of maturity and leadership amongst her colleagues and she is respected for her skills, abilities and sense of responsibility.
